WINTER SCAVENGER HUNT

Winter is a season of rest and regeneration on Governors Island, but there is still plenty to see! Journey through these natural areas and see how many you can find:

- Nolan Park
- Hammock Grove
- Grassy Hill
- Outlook Hill

ALWAYS REMEMBER:

- Do not disturb any wildlife you may encounter, and make sure you maintain a safe distance.
- Keep our plants safe! Please do not enter any fenced-off or planted areas.
- Do not pick any plants or clip any branches.
- You are welcome to collect anything that you find already fallen on the ground.

Small, manmade structures that protect insects during harsh winter months.
