

GOVERNORS ISLAND CORPORATE RETREATS

ESCAPE FROM VIRTUAL MEETINGS & ONLINE COMMITMENTS. GIVE YOUR TEAM A BREATH OF FRESH AIR.

Gather your group for a day of outdoor, in-person team-building. The Island's 172 acres offer plenty of open space and spectacular views.

When you book a retreat, fees directly support the Friends of Governors Island's mission to keep the Island green and welcoming for all New Yorkers.

THE PERFECT TEAM GETAWAY

Just 8 minutes by ferry from Lower Manhattan, your employees will feel a world away on Governors Island. We'll work with you to design the perfect Zoom-free outing for your group, giving you insider access to the Island's best features.

The Island is perfect for staff offsites, leadership training, team-building exercises and company picnics.

Whether biking along 7 miles of car-free paths, gathering for a catered picnic in the open air, or simply relaxing in a hammock, your team will feel inspired and refreshed.

ENSURING VISITOR SAFETY The Island is following all recommended health & safety protocols including reducing ferry capacity, requiring masks onboard the ferry, implementing social distancing protocols, and with hand sanitizer and hand washing stations available around the Island.
