

GOVERNORS ISLAND

WINTER EVENT PACKAGES

GIVE YOUR TEAM A BREATH OF FRESH WINTER AIR ON GOVERNORS ISLAND.

Gather your group for a day of outdoor, in-person team-building at the Governors Island Winter Village.

New York City's newest winter wonderland will transport your guests to a world away just 8 minutes by ferry from Lower Manhattan.

We'll work with you to design the perfect outing for your group, giving you exclusive access to the Island's **ice-skating rink** and **warming tents**. **Fire pits, lawn games, bike rentals, and plenty of photo ops add to the experience** along with the rest of the Island's 172 acres of spectacular views, car-free paths, art installations, and historic buildings.

The warming tents offer views of the rink to enjoy a respite off the ice. **Food and beverage packages are available, and we will be happy to curate a menu to suit your needs.** The 800-square-foot space fits up to 100 guests for a casual gathering, and is perfect for staff offsites, leadership training, team-building exercises, and holiday parties.

Open through February 2023, the Winter Village provides an ideal setting to entertain during the winter season. When you book a retreat, fees directly support the Trust for Governors Island's mission to keep the Island green and welcoming for all New Yorkers.
