**NEW YORK (October 1, 2025)**--The Trust for Governors Island announced today the return of Pumpkin Point, the wildly popular annual pumpkin patch and fall festival on Governors Island. This year the event will bring thousands of pumpkins to the Island's historic Nolan Park, transforming the space into one of New York City's most unique pumpkin patches. Visitors are invited to pick out their own pumpkins on Saturday, October 25, or Sunday, October 26, 2025, from 10:00 a.m. to 5:00 p.m.

In addition to the pumpkin patch, this year's event will also include trick-or-treating, music and crafts, a Fall Foliage Tree Tour for all ages, fall-themed food and drink from Island vendors, and more free fun for the whole family. Performances will include traditional and contemporary folk music curated by long-time Governors Island event partner Porch Stomp, daily performances by Hopalong Andrew, and puppet theater by Cara's Caterpillars.

"Pumpkin Point is back on Governors Island, and we invite all New Yorkers to explore historic Nolan Park as it transforms into a stunning autumn destination," said **Clare Newman, President and CEO of the Trust for Governors Island**. "Come explore our pumpkin patch, featuring thousands of beautiful pumpkins perfect for picking, taking photos and enjoying the crisp air just minutes from Manhattan."
